> > Dear SS Liou,

> >

> > I have been assigned to review your application. The following  
questions

> must be answered before review can continue:

> >

> > 1. The FCC ID label submitted with this application seems to be for  
a

> different product. Please submit a correct FCC ID label

> >

> > 2. Please submit a dbrief description of the type of modulation  
used by  
> this transmitter, including a description of the pulse train(s) used  
to  
> transmit temperature and pressure data. This information will be kept  
> confidential as part of the operational description.

> >
